Increase for Ponemah Mill.

Agent P. E. Rickethon of Poneman mills stated Friday that notice had been posted in the mill to the effect that an advance in wages will be made to the employes the first of April. The amount is not stated and has not been determined, he said, and it could not be stated when it would be known. There will be about 1,500 employes affected, as the increase will be general in line with the policy of the company. The action, he said, was taken independent of other mills as the result not of the action in other states but because of the candency of the times, Conditions in the catten manufacturing business, he said, were not so much better than in the recent past.

No other Norwich mills have indicated an increase as yet, though such may come later.
